Enterprise Solutions

- Consolidation and Virtualization
- High Availability
- Disaster Recovery In-sourcing
- Data Center Moves
- Hardware Rental / Asset Swap and Swing Solutions
- Maintenance and Support
- Data Warehouse Infrastructure
- Enterprise & Archival Storage Design
- Disaster Recovery In-sourcing
- Enterprise Backup and Recovery
- Disk Based-Backup and Site Replication

Benefits

- **Savings**—60–80% on IT infrastructure and consolidation.
- **Flexible**—New, Used, Rentals, Trade-ins
- **Speed**—Next-Day Delivery & Same Day Quotes
- **Service**—1 Call / 1 Source
- **Independent**—Not a local vendor. Free from local manufacturer pressure. (won't push what you don't want or don't need)

Reduce the cost and complexity to buy, deploy, & manage your IT infrastructure.
